AUTHOR | SPEAKER | COUNSELOR | COMMUNITY LEADER

*In Threads of the Father, Penny Renfroe has lovingly and graciously written and guided us through her own journey of vulnerability with God. Like an industrious weaver, she has pieced together thoughts, words, and poetry to help us dream with God again as He answers our questions and heals our deepest longings. Her creative spirit and kind heart are evident in each page she has crafted with the Creator, to draw us closer, give us peace and grant us assurance that He knows. He sees. He hears. And there is a good plan beyond what we can comprehend. Come along for a journey into wonder. A leap into intimacy with God. I needed this book to slow down and hear, see and just BE again. We all need it. May it heal your heart and impact you forever.*
